# PREFACE

THE GENERAL CONFERENCE MENNONITE CHURCH is an entity composed of member congregations in North and South America. It is incorporated under the statutes of the state of Kansas in the U.S.A. Churches have united to form a Conference of Mennonites in Canada, five district conferences in the United States, five area conferences in Canada, a South American conference and conferences in Brazil, Paraguay and Uruguay.

The delegate body which meets triennially is elected by individual churches on the basis of one delegate per 30 members or fraction thereof. At the triennial sessions delegates elect three officers: moderator, assistant moderator and secretary. The delegate body also elects members to a general board, program commissions, a seminary board and a division of general services. These bodies meet annually as a Council of Commissions. It is at these sessions that programs are planned and the annual budget is adopted.

A subsidiary investment corporation, Church Extension Services, is incorporated under the statutes of the state of Kansas and deals with specific areas of program work.

A number of institutions and organizations, such as Africa Inter-Mennonite Mission, Mennonite Central Committee, colleges and hospitals bear a functional relationship to the conference through the commissions or the general board. These institutions, recognized as relating to the General Conference, are part of the corporate structure of the General Conference Mennonite Church. They have their own corporate structures as set up under the statutes of the states in which they are located. The General Board appoints three representatives to Mennonite Central Committee and three to Mennonite World Conference.

The purpose of the General Conference Mennonite Church, as stated in its constitution, is "to proclaim Jesus Christ through appropriate ministries throughout the world to the end that persons may put their trust in God and receive Jesus Christ as Savior from the guilt and power of sin and serve him as Lord in the fellowship of the church; and to assist congregations in Christian worship, nurture and witness; and together to understand more adequately the essence of the Christian faith and accept its implications for total living."

The four conference goals are

1. Evangelize
2. Teach Biblical principles
3. Develop and train leadership
4. Seek to achieve Christian unity

## **AGUM CHURCHES IN WEST GERMANY**

The Arbeitsgemeinschaft zur geistlichen Unterstuetzung in Mennonitengemeinden (AGUM) is an association of about 20 congregations in Germany. The Conference of Mennonites in Canada also belongs to AGUM. The AGUM congregations have anywhere from 10-100 percent of their membership from among the Aussiedler who have come, and continue to come, from the former USSR in the past 20 years. A few of the congregations have been established for some time, but most of them have originated in recent years. The Canadian Conference enjoys a fraternal relation with these emerging and growing congregations, and offers some assistance from time to time.

# ASSOCIATED MENNONITE BIBLICAL SEMINARY

This school is chartered under the statutes of the state of Indiana. Its annual budget is approved by the General Board of the conference and it shares in the "undesignated" monies remitted to the conference by church and individual donors.

Mennonite Mutual Aid functions on an inter-Mennonite basis, serving General Conference Mennonite Church, Mennonite Church, Mennonite Brethren, and related Anabaptist groups. MMA reports annually to the General Conference at its Board and Commission meetings in March. Reports are made to the Division of Administration and the U.S. Council. MMA also reports three times a year to the Mennonite Church General Board. Members of the MMA Board of Directors are elected or appointed from the General Conference Mennonite Church, Mennonite Brethren, and Mennonite Church.

Mennonite Mutual Aid provides insurance plans, financial services, charitable programs and educational resources to help Mennonites and related groups practice the biblical principles of mutual aid and stewardship. Note: STATISTICAL INFORMATION IN THIS SECTION  
MAY ONLY BE APPROXIMATE.

Churches record and report information in differing ways. Some churches report specific figures, others give approximate totals. Financial figures reported here are in Canadian or U.S. dollars. Totals do not reflect the activity of churches which did not report, particularly in the case of per capita giving.

If churches have not reported current attendance or membership, figures from the most recent year reported have been used. If you require more accurate information, please request it directly from the church(es).

## NOTES

# GENERAL CONFERENCE MENNONITE CHURCH

This circle drawing reflects the interaction of the congregations, area conferences, inter-Mennonite agencies, commissions, institutions and organizations related to the General Conference.

Members of commissions and boards and representatives of most of the organizations on this chart gather each March as a Council of Commissions to give counsel to the General Board which gives overall direction to the conference, establishes priorities, sets the annual budget, appoints executive staff and makes bylaw changes.

The congregations in Canada have five area conferences in addition to the Conference of Mennonites in Canada. The congregations in Brazil, Paraguay and Uruguay have their respective national conferences in addition to the South America Conference.

General Conference schools in Canada are owned by area conferences. In the United States they are owned by church-related societies.

The Program Committee plans the triennial conference sessions.
